- We assume people have read the drafts
- Meetings serve to advance difficult issues by making good use of face-to-face communications
- Note Well: Be aware of the IPR principles, according to RFC 8179 and its updates

- Blue sheets – Automatic
- Chat Scribe(s)
- Note Taker(s)

Note Well

By participating in the IETF you agree to follow IETF processes and policies. This Note Well is a reminder of some of those policies. For a linked version of this text, please visit *www.ietf.org/note-well* or use the QR code below.

- IETF participants are expected to behave in a professional manner and extend respect and courtesy to their colleagues at all times (see *RFC 7154: IETF Guidelines for Conduct and IETF Anti-Harassment Policy*). If you have any concerns about behavior, please contact the *Ombudsteam* who have a duty of confidentiality and extensive powers to act, as set out in *RFC 7776: IETF Anti-Harassment Procedures*.

- If you are aware that any IETF contribution (as defined in *RFC 5378: Rights Contributors Provide to the IETF Trust*) is covered by patents or patent applications that are owned or controlled by you, your employer or your sponsor, you must disclose that fact, or not participate in the discussion (see *RFC 8179: Intellectual Property Rights in IETF Technology*).

- For detailed process information consult *RFC 2026: Internet Standards Process* and *RFC 2418: IETF Working Group Guidelines and Procedures* and updates to those.

- The IETF routinely makes public written, audio, video, and photographic records of IETF activities, including your personal information as set out in the *IETF Privacy Statement*.

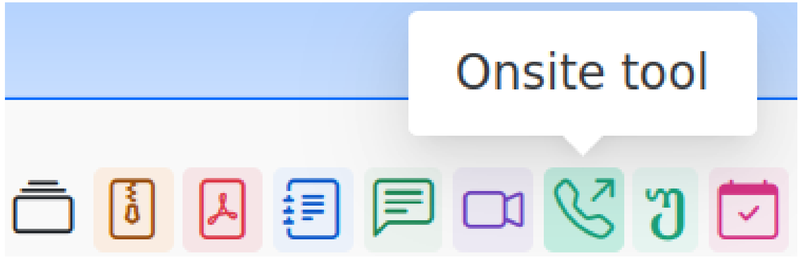

For advice, please talk to Working Group chairs or Area Directors.

Practicalities

- **This meeting is being recorded**

- **In-person participants**
  - Make sure to sign into the session using Meetecho
    - “Onsite tool” client available from the Datatracker agenda
  - If not using the onsite version, keep audio and video off
  - **Joining the mic queue: <u>FIRST</u> join the queue in Meetecho, <u>THEN</u> go to the mic**

- **Remote participants**
  - Make sure your audio and video are off unless you are presenting
  - Use of a headset is strongly recommended

- **Use of queuing via the chat**
  - mic: to ask for relaying a question

All times are UTC
